

Dear workshop participants,

Just a few words concerning practical information:

People presenting a poster are scheduled for 5 min to present their work during flash talk sessions. Please let us now if you want a poster only.

People giving flash talks are encouraged to bring a poster too. Poster walls will be available in the conference room.

If not already done, people who have submitted an abstract and have not register for the workshop, must to register as soon as possible. Please follow this link:
